B-O-F Roller System®

THE PERFECT ROLLER SYSTEM SOLUTION FOR MERCHANDISING EXCELLENCE

Optimizing merchandising comes to a new level with the B-O-F Roller system. Now available to fit your existing shelving.

Maximize product facing

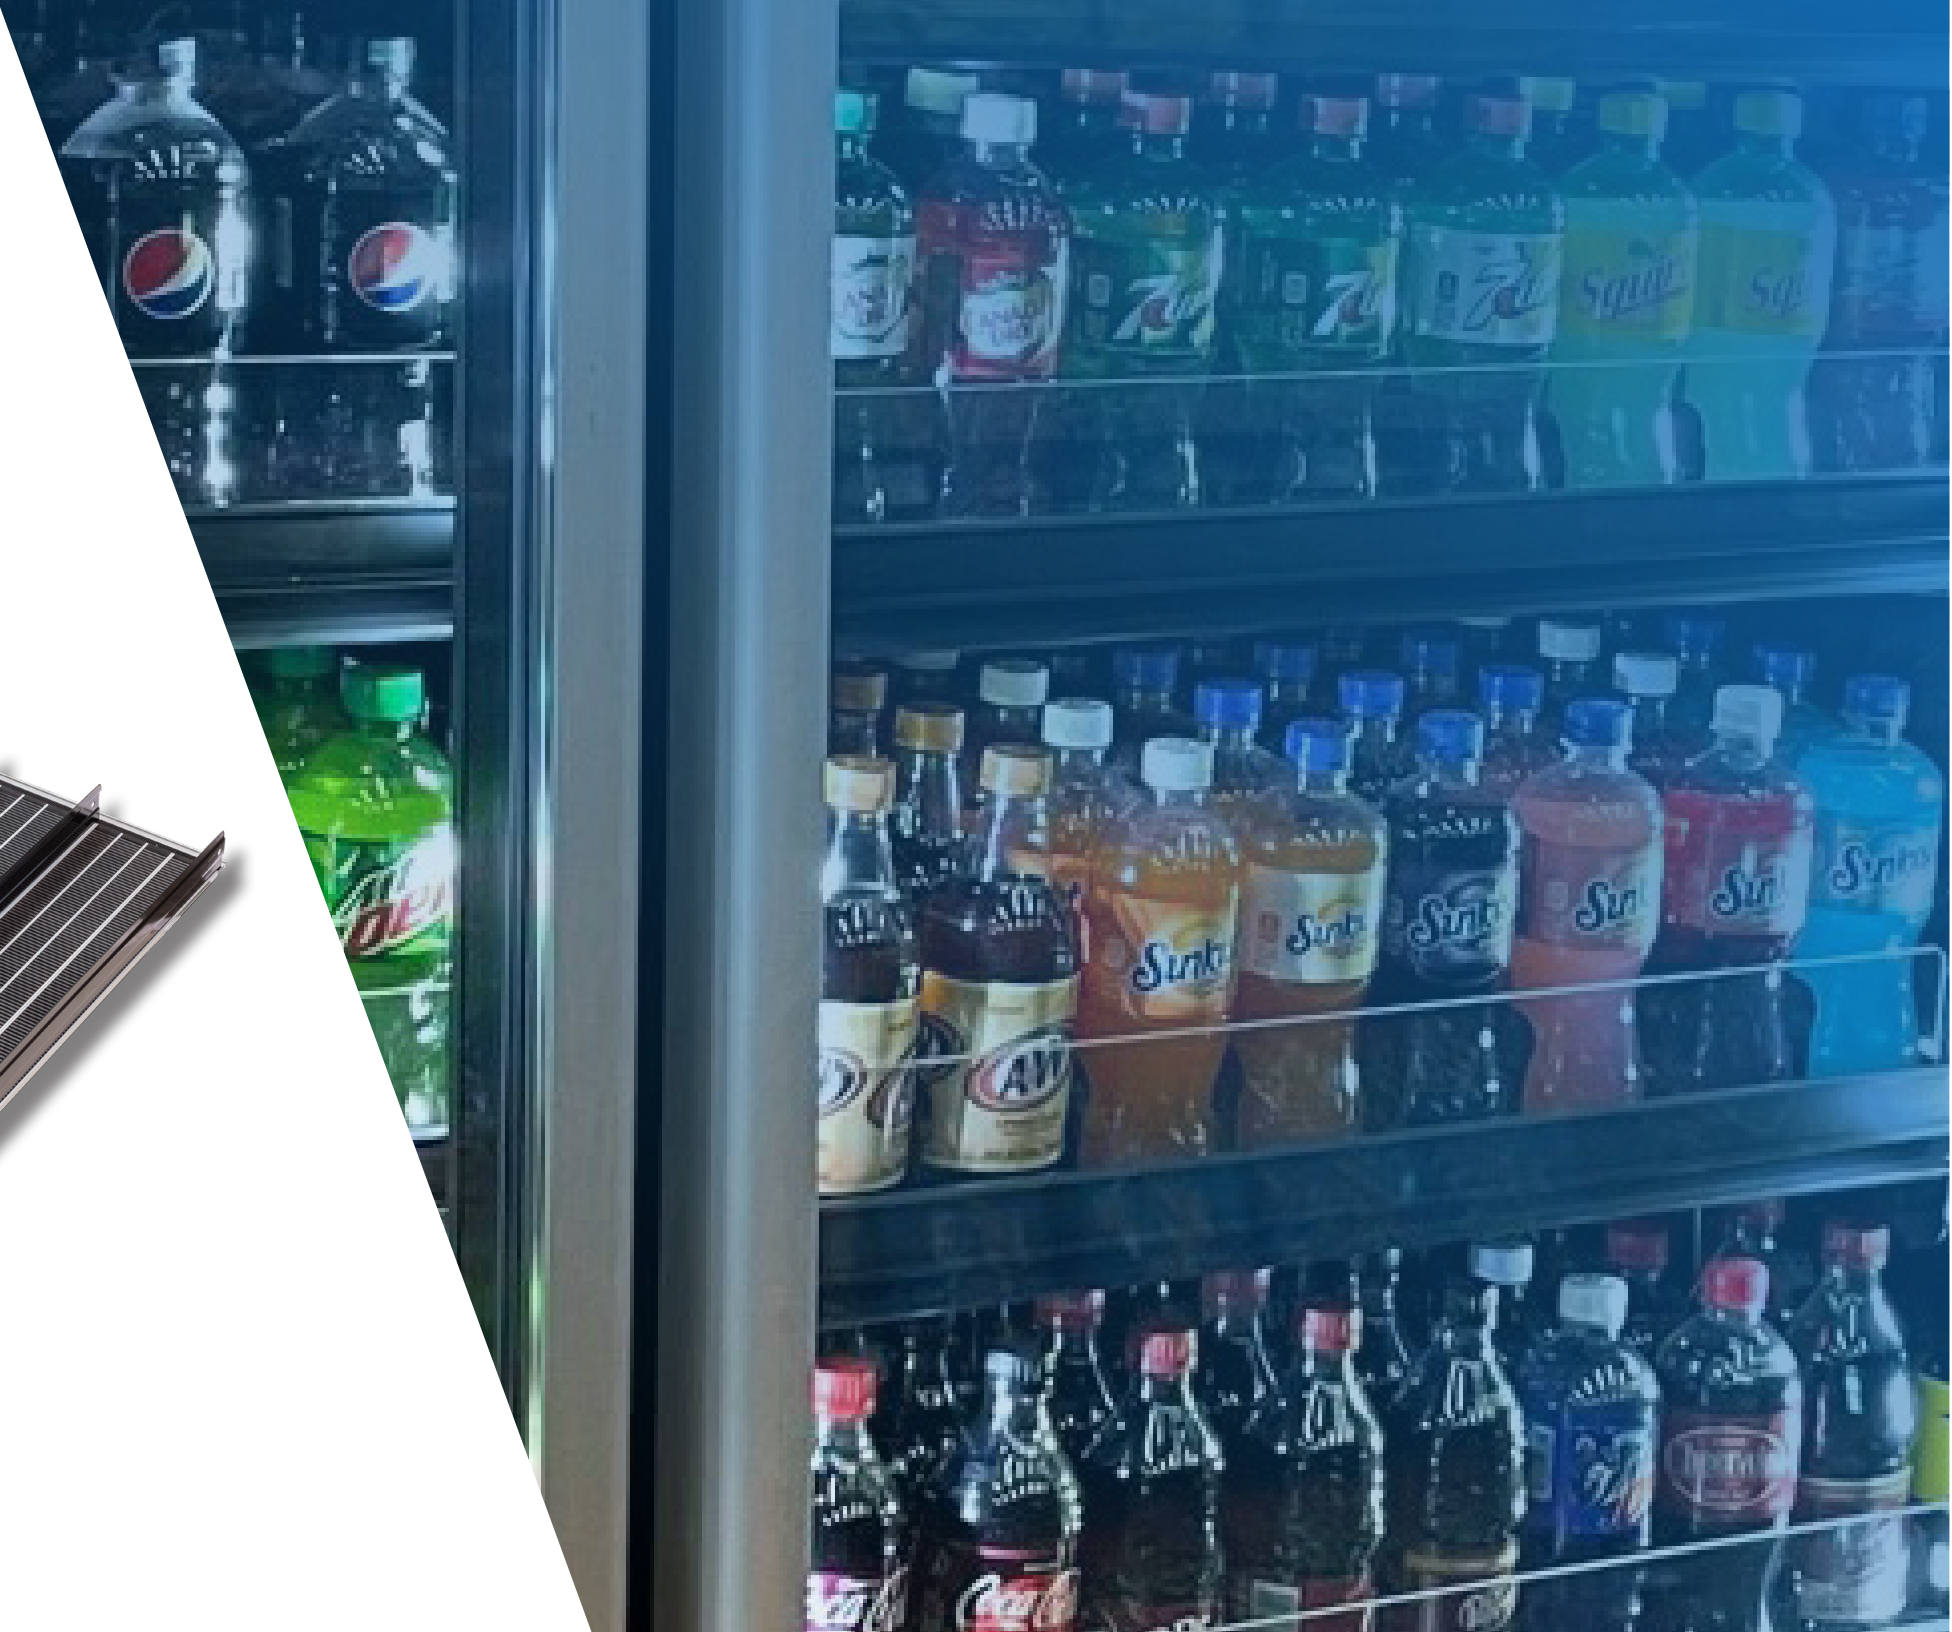

Specifically designed to maximize facing at the shelf for all products.

Integrated roller system design

The Roller System is designed so that all pieces maximize product presentation for the best aesthetic appeal.

Take advantage of a roller system to maximize sales regardless of packaging size or style.
