Versa™ Humidor

THE PERFECT SOLUTION FOR
HUMIDOR SHELVING
WHILE HAVING THE ULTIMATE
IN MERCHANDISING

Humidor merchandise needs to have the ultimate in visual impact to maximize sales opportunities.

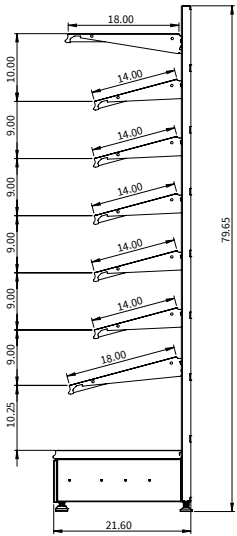

Maximize Vertical and Horizontal Spaces

Designed to ensure the ultimate in organized humidor merchandising. Shelving is stair stepped to ensure maximum visual impact and allow full exposure of merchandise on each shelf. With 1" shelf increments for adjustability, Versa™ Humidor allows each shelf to be placed in the optimal position for any size product.

Enhance the shopping experience

Metal shelving and uprights with Spanish cedar backs will make it easy to prevent mold and maximize the natural humidor scents. Add the visual impact of cascading shelves to create the ultimate in shopping experience.

Make it easy for your customers to
select their desired merchandise in
the ultimate humidor merchandiser.
