Wine Bins™

THE PERFECT SOLUTION FOR
DISPLAYING WINES
WHILE HAVING THE ULTIMATE
IN MERCHANDISING

Wine bottles need to be displayed lying down to preserve the corks, but also need to have the ultimate in visual impact to maximize sales opportunities.

Maximize organization of wine merchandise
Designed to ensure the ultimate in organized wine merchandising. Wine Bins have lane dividers to ensure that each bottle can easily be identified and shopped.

Enhance the shopping experience
Each shelf is made at specific depths to make it easy for the customer to shop.

Make it easy for your customers to shop for wine in the ultimate wine bin merchandiser.
